Dear Michael:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America.

You should understand that B.S.A. membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the B.S.A. seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a B.S.A. member should be granted or reinstated. The procedures for review are attached.

Sincerely,

F. W. Freund
Scout Executive

SUBJECT: MICHAEL J. OVERTON

Dear Fritz:

I really hate to bother you again, but I have written twice since receiving a phone call from your council. This call indicated that the above named individual had been accused of having sex with two younger boys. Apparently, this incidence happened a couple of years ago.

We were told that a letter would be given to this individual and that we would get a copy, and so far we have not received a copy. We would like this for our files.

We are enclosing an Ineligible Volunteer Record Sheet which we must have, so we can identify Mr. Overton should he attempt registration in some other location. Please give us as much information as available.

We would also like some statements from the parents of the youth who were abused. This would strengthen our file and help us to substantiate our refusal of registration. If there is to be legal action, we would like copies of newspaper clippings or court records.

Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Fritz:

We received a telephone call on May 1, concerning the above named individual. It was indicated that he was being investigated at the present time because of relationship with youth.

I am enclosing another Ineligible Volunteer Record Sheet which I would like to have completed, so we can identify Mr. Overton. We must have this material so we can properly identify him should he try to register in some other location.

Please also give us the outcome of the investigation which took place. If there has been legal action, we would like the outcome of that action. Newspaper clippings or court records are most helpful to us in substantiating any action in the future.

Sincerely,

Paul Ernst, Director
